## News & Notes

April 26, 2020

During these unusual days of pandemic, we will not be preparing the regular church bulletin, but will instead make this '*News & Notes*' page available weekly on the website. In addition, paper copies of this page will be available on Tuesdays outside the church office for anyone coming in to drop off an offering.

**THE BREAKING OF BREAD!** – In our Gospel reading today, Jesus made Himself known to the Emmaus disciples in two ways – by the Word of God and in the Breaking of the Bread! It is a great blessing that even when we cannot meet in God's house for public worship, the Word of God is still being preached and heard, by which God makes known to us our Risen Lord Jesus, and sustains faith in Him.

Sadly, however, our separation from one another in the assembly of the church means that for a while we are fasting from the Lord's Supper, the "Breaking of the Bread" as it was called in the early church. What a strange Easter season it has been during which we

cannot even celebrate this feast of the victory of our Lord and Savior! We pray, however, that this time of *sacramental fasting* will have the beneficial effect of increasing our hunger and thirst for this blessed gift of our Lord. Let's never take for granted the Lord's invitation to His table, to receive the fruits of His cross!

**CONFIRMATION 2020** – Like everything these days, our plans for the Confirmation of our 2020 catechumens have been altered. Normally we would have the Rite of Confirmation on the 3<sup>rd</sup> Sunday of May, but because of uncertainty about when we'll get back to worship, and to allow enough time for preparation, **the date for Confirmation has been moved back three weeks to Sunday, June 7<sup>th</sup>.**

## **COMMUNITY SERVICE PROJECT UPDATE**

Sewing as an act of charity has a long history dating all the way back to Dorcas (*Acts 9:36-42*) who sewed garments for the poor. In these days of pandemic, what is needed is for protective face masks to be sewn and given out to people. To that end, we have partnered with the Henry County Health Dept. (HCHD) to supply approximately 300 masks to the community.

- A group of about 14 women at St. John have volunteered to make these masks. We call them “**The Maskateers**” (*thanks, Deb Durham, for inspiring that name*).
- The materials have been purchased through our *Good Neighbor Fund*.
- The masks requested by the HCHD are according to CDC guidelines.
- When completed, the masks will be distributed by the HCHD to the community.
- We are still awaiting the shipment of elastic cord for final completion of the masks.

What a great blessing these masks will be to our community, and what a fantastic way to serve Christ through our neighbor! Thank you to our **Maskateers** for your loving and willing service!

## **GETTING BACK TO WORSHIP** – There is talk now of reopening our nation for business, and it's time for us to think about reopening our doors for worship.

- The Church Council discussed this matter but because of all the uncertainty, no decision was made at this time. The council will meet again this Tuesday, April 28 to see if there is enough information for us to make any firm decisions.
- For now, the plan for reopening our doors, whenever that happens, is to have worship on Thursday evenings and Sunday mornings at the normal times, but with plenty of social distancing, as well as other precautions.
- The Council voted to purchase an FM transmitter so that as we get back to worship, we can broadcast services out to the parking lot. This will permit people at higher risk, as well as those who are initially uncomfortable with public gatherings, to come to the church and listen to the service on their car the radios. Also, if we need to restrict the number of people gathered for worship, the overflow crowd could listen this way as well.

**Please stay tuned for further information!**
